Dear Dr. Huang:

Thank you for your recent submission to the Continuing Professional Competency (CPC) Standards Committee, Maryland Board for Professional Engineers. **The Committee has approved PDHonline.org, Inc. as a provider of Continuing Professional Competency requirements, as stipulated in the regulations.** However, please review the content of your Category A courses. For example, you have designated the course, "Managing Project Cost, Revenue and Profit" as an A course, but the Board was of the opinion that it is more appropriately a Category B.

If you have further questions, feel free to contact the Continuing Professional Competency Committee at 410-230-6260.

Thank you for your company's participation in assuring the highest level of professionalism in engineering in Maryland.

Sincerely,

Pamela J. Edwards
